## Commissioner for Patents

The PTO-1449 originally filed on 7 October 2003 and included with the office action mailed on 21 February 2006 inadvertently omitted the signature and date by the examiner, such that it was unclear if the references had been considered. Therefore, the examiner is remailing a signed, initialed and dated (on the original date of consideration) copy of the PTO-1449 to prevent any confusion as to whether the listed references had been considered by the office.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Harry D Wilkins, III whose telephone number is 571-272-1251. The examiner can normally be reached on M-F 8:30am-5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Susy Tsang-Foster can be reached on 571-272-1293. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
